

Impulse Embedded Product Line Card

www.impulse-embedded.co.uk

Industrial Computing, Embedded Systems, and Industrial Networking.

Embedded Box PCs
Embedded SBCs
Mobile Computers
Industrial Motherboards

Industrial Automation & I/O
Industrial Ethernet
Embedded Box PCs
Industrial Computers
Embedded SBCs
Industrial Panel PCs

Jetson Development Kits

In-band & Out of band
Remote Management
Software

Embedded Box PCs
Industrial Motherboards
Embedded SBCs

Embedded LCD Displays

Embedded Box PCs
Embedded SBCs
Industrial Computers
Industrial Panel PCs
Industrial Motherboards

Network Cameras

Industrial Cameras

Industrial Ethernet

Industrial Ethernet
Cyber Security

Signal Conditioners
Loop Isolators
4-20mA Transmitters

Embedded Box PCs
Embedded SBCs
System-on-Modules (SoM)
Carrier Boards
Industrial Motherboards

Industrial Power Supplies

Embedded SBCs
System-on-Modules (SoM)
Industrial Panel PCs

Industrial Motherboards
Embedded SBCs
Industrial Panel PCs
Embedded Box PCs

Embedded Box PCs
Embedded SBCs

Embedded LCD Displays
Industrial LCD Displays
Stretch Bar LCD Displays

Industrial Power Supplies

Embedded Box PCs
Industrial Computers
Industrial LCD Displays
Industrial Automation & I/O
Industrial Ethernet

Industrial Routers

Industrial Computers
Embedded Box PCs

Industrial Power Supplies
Industrial Power Distributors
Redundancy Modules

Cellular Modules
Wi-Fi Modules

PC-based Data Acquisition
Remote & I/O Modules
Industrial Ethernet
Industrial USB
Industrial Serial

Industrial Memory
Industrial Flash Storage

Embedded Box PCs
Industrial Computers

Embedded Box PCs
Industrial LCD Displays
Mobile Computers
Industrial Panel PCs

Embedded Displays
Industrial LCD Displays

Impulse combines **Industry Insight** with **Technology Know-how** to design, build, and supply outstanding computing, control, and communication solutions for demanding environments.
